# CUSTOMER CONNECTION

NOVEMBER 2011

## FIND REPS FAST WITH LOCATOR FEATURE ON JM EAGLE WEBSITE

Potential customers searching for a JM Eagle sales representative need look no further than the online JM Eagle Representative Locator.

Online for Waterworks rep searches now, the Representative Locator makes it easy to find sales assistance in every part of the country. A move of the cursor over the U.S. map automatically reveals all the contact information for every rep by territory.

"Now JM Eagle sales representatives are easy to find and easily accessible," says Neal Gordon, JM

Eagle vice president of marketing and waterworks sales. "We trust that this Representative Locator feature will further enhance our service to customers."

Representative Locators for the JM Eagle HDPE, Irrigation and Plumbing, and Electrical divisions will be up and running in the next two weeks, as will territory maps for Canada and Mexico.

The Representative Locator can be found under the Contact Us page at [www.jmeagle.com](http://www.jmeagle.com).
